| Name                            | Description  | Section          |         |
|---------------------------------|--|------------------|---------|
| Average Saves                   | The average number of your posts' saves during a selected time range.  | Engagement       |         |
| Average Story Reach,photo/video | The average number of unique users that viewed your Stories during a selected time range.  | Stories          |         |
| Average Video Views             | The average number of times your video has been viewed during a selected time range, broken down by video type.  | Engagement       |         |
| Best Time to Post               | It is calculated in the accordance with the time (hour and day) your followers were online most on Instagram.  | Posts            |         |
| Bio                             | The bio section (the area below your name on your profile) is an area designated to writing a 150-character description about yourself or your brand.  | Overview         |         |
| Comments                        | Simply, a user can comment on another user's, or their own, photo.   | Engagement       |         |
| Completion rate photo/video     | The percentage of times a Story impression was not interrupted by an exit, tap back or tap forward.  | Stories          |         |
| Direct Message                  | Allows you to send to a photo, text or voice record to single user, or a group – privately. This image doesn't appear<br>on the news feed, search results or on any users' profile. The photo you send can be edited in the same way as a<br>post. | Overview         |         |
| Email Clicks                    | The number of times the link to your e-mail was clicked.   | Profile Activity |         |
| Engagement Rate                 | Engagement rate is calculated by dividing the total engagement number by total followers and then multiplying by 100 during a selected time range. It is expressed as a percentage. Excluding ads.   | Engagement       |         |
|                                 |  |                  | 1. 1. 1 |

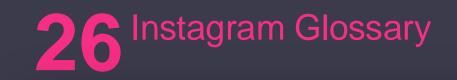

| Name                                  | Description   | Section          |                    |            |
|---------------------------------------|---|------------------|--------------------|------------|
| Explore Tab                           | This tab facilitates two important features: searching and discovering, allowing you to search by hashtag or by user.   | Overview         |                    |            |
| Feed, Gallery, or Album               | Many refer to a user's collection of photos (posted to their profile) as their feed, gallery or album.  | Overview         |                    |            |
| Filters                               | A unique combination of different elements: including exposure, color balance, and contrast. Some filters also include frames, and can be added over a photo to the degree you choose.    | Filters          |                    |            |
| Follow Rate                           | This metric is calculated your rate of follower increase or decrease.   | Profile Activity |                    |            |
| Follower                              | Much like many other social media platforms, Instagram is based on followers. A follower is a user who follows your account, and consequently sees every photo you publish on their feed. | Followers        |                    |            |
| Follower Growth                       | Evolution of followers during a selected time range.  | Overview         |                    |            |
| Followers Breakdown                   | The number of followers per day during a selected time range.   | Followers        |                    |            |
| Followers by city                     | The number of followers by city.  | Followers        |                    |            |
| Followers by country                  | The number of followers by country.   | Followers        |                    |            |
| Followers by demography (age and sex) | The age and gender of your followers.   | Followers        |                    |            |
|                                       |   |                  | slide <b>bea</b> 4 | <b>5</b> t |

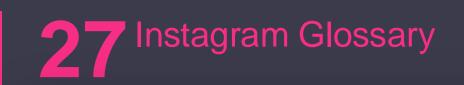

| Description  | Section  |
|--|--|
| Shows a feed of photos that people you are following have liked or commented, and also accounts they have started following  | Overview   |
| The location attached to an image, which corresponds to a longitude and latitude on a map.   | Followers  |
| The number of times the link to your address or get directions button was clicked.   | Profile Activity   |
| An algorithm that calculates your followers potential growth for the next 6 months by looking at your past data.   | Followers  |
| The number of follower growth per day during a selected time range.  | Followers  |
| Is the symbol '#' before a word or phrase – and will appear in blue. Hashtags allow users to connect with others, and discover images based on a common word or phrase.  | Overview   |
| IGTV video is an app that can be used alone or in tandem with Instagram. It's essentially Instagram's answer to YouTube in that it's designed for the mobile-optimized viewing of long-form videos. Any user can set up their own channel and share video content that's up to an hour long. | Overview   |
| The total number of times your posts, stories and promotions have been viewed. Includes ad activity generated through the API, Facebook ads interfaces, and the Promote feature. Does not include profile views.   | Impressions & Reach  |
| The number of activities taken on your account during users' search.   | Overview   |
| The number of interactions (Likes, Comments, Saves) per day during a selected time range.  | Posts  |
|  | Shows a feed of photos that people you are following have liked or commented, and also accounts they have started following.
